## Customer Reviews

to be honest i got this instant pot from my aunt, not sure how to use it. I found this book and thought to give it a try. the combination of the two is heavenly! amazing recipes, healthy and fast!!!

This is likely a book I will leave in the kitchen for standard utilize, as opposed to return on the rack - I'll use to ensure my cooking times and cooking procedures are right, and furthermore to move thoughts. It's more than tasty formulas, it's a reasonable manual.

An excellent book from which you can learn a lot about the kitchen for vegans. I am interested in the idea of vegan cuisine itself and always wanted to try. In this book, I found many recipes, a wide variety of dishes. The book is big and you can easily choose different recipes for all occasions! Definitely I recommend.
