## Customer Reviews

Since they didn't ask about this book the way they did about 5 & 6, I'm going to type in the answers as part of my review. First of all, let me say I love the series, the writing and illustrations are excellent. Gattsu "Guts" has a rough life, and he has ties to other beings like demons, so there IS violence in the story. This book in particular has some sexual content that would not be appropriate for young children. The story is narrated in the same interesting style, alternating between characters and points of view.

I am, and forever will be, a huge fan of the Berserk manga series as well as the original anime portion of the series. Amazing artwork (very graphic and brutal, don't get me wrong) but absolutely gorgeous and intricate drawing in this series. As for the seller; Package was well-padded, well wrapped, took less than a week on standard shipping, overall very very satisfied. Book quality was

99.9% flawless. I had zero complaints. In fact, this is the 2nd copy I've ever seen in person of this particular volume, and it was in the best condition I could have ever expected. My collection is growing! 33 volumes so far :) THANK YOU! xx

The tv show destroyed my heart and these novels take the experience even deeper and of course they've once again ripped out my heart chewed it up and spit it out.. YES ITS THAT INDEPTH OF A STORY... I would not recommend these to young kids as it does have a mature theme to it... Anyone who loves anime and have never experienced Berserk please do yourself the favor snap in to it.

Purchased for my son. He seems happy with it.

Excellent Product

An excellent continuation of the saga. You get to see Guts go wild in the Berserker armor he was given, but also get to see the flaws in it. In this one, you also get to see more about the Kushan conflict and Griffith's role in it. Very nice, I think they did a great job of moving the story from one plot circle to the other. Enough blood, gore, and monster to appease even the most twisted of individuals. I will say this is a great book.

Volume 4 is the beginning to the best story arc in any manga series I've ever read! Don't pass up this series!

The G.O.A.T. of mangaka Kentaro Miura strikes with an immersive, dark and violent world of suffering, immaculate artwork and intelligent story telling, if you love manga, this story is for you.
