## **Customer Reviews**

From time to time there's a new cooking craze and recently I picked up the air fryer craze. I had been looking for recipes to cook on my new air fryer when I came across this book. This book lives up to its title and provides you with some great recipes. So far, my favorite recipes have been tuna patties and spinach omelette. I hope to check out more recipes in the upcoming days but so far its been a good experience.

Its very good book and has a lot of good recipes
