I bought this for my grandson and he absolutely loves it! Educational yet fun!

I bought this as a Christmas present for my nephew. He loves these kinds of books. I was told by his mother that she had to tell him to put it away and go to sleep the night he opened it so I'm going to let that speak for itself.

Love this...excellent gift for kids...

Great information. This makes a great present for any kid.

Perfect for my 8 and 10 year old grandsons who are both voracious readers.

The kids (boy, girl, 8, 11) absolutely love these books. They will be reading and then "oh dad you gotta hear this!" and they come running into the room to read something to me. Definitely some interesting facts.

Our granddaughter was so excited to get these for Christmas! She loves all the Weird But True books!

My Great Grandson really loves these. He has trouble putting them down.
