Higurashi When They Cry: Cotton Drifting Arc, Vol. 1 - Manga (v. 3)

Synopsis

You've already met Keiichi Maebara and his mischievous friends in the *Abducted by Demons Arc.* But Oyashiro-sama's curse is poised to strike anew in Hinamizawa village. When Keiichi spots tomboy Mion working at a maid cafÃ©, he can hardly believe his eyes! But it's not Mion after all - it's her identical twin sister, Shion. Keiichi's never heard of this "twin sister" before and suspects it's just another one of Mion's pranks. But through Shion, Keiichi is able to see a quieter, more feminine side of his best friend, even if it is all an act. As Keiichi spends more time with Shion, however, Rena grows more accusatory...

Ryukishi07 leapt into the spotlight with *HIGURASHI NO NAKU KORO NI* which was originally conceived as a series of visual novels and later adapted into the popular manga and anime franchise.

Cotton Drifting is the second of the *Higurashi When They Cry* arcs, each of which consists of two volumes; Volume 1, which is beautiful cute and makes you love all the characters, and Volume 2 which is bloody violent and murderous horror. (If you're looking for the *actual* first volume of the series, go get *Higurashi When They Cry: Abducted By Demons Arc.*) While it may sound a bit like a nasty trick to play, the supernatural murder mystery that plays out is made all the more compelling by spending an entire volume getting to know the characters involved in the tragedy to come. Though that's not to say Volume 1 will leave you entirely unprepared; the author drops so many

little hints and clues through the story that it's well worth a second read once you've seen the end! The basic story of the Higurashi "Question Arcs" follows Keiichi Maebara, a Japanese high schooler who recently moved to the small town of Hinamizawa where a brutal tragedy is about to take place. In the Cotton Drifting arc the story has been reset to the beginning and takes a sort of "alternate path" to the tragedy that focuses on Keiichi's best friend, the boisterous tomboy Mion Sonozaki. In Volume 1 he meets up with her in a...compromising situation, but she claims she's actually SHION, Mion's twin sister! The situation that follows is as complicated as it is funny, with just a few light hints of the visceral horror that's coming in the next volume...If you can take adorably cute AND brutally violent in the same story, go ahead and pick up Cotton Drifting Vol 1 AND Vol 2 right now. They tell a complete story between the two of them and you WILL need the second as soon as you're done with the first! It's a vicious mystery (for my money the most complex of all the arcs) that gives you a lot of clues but no definitive answers until much later in the Higurashi series, but that just makes it all the more addictive.
