Jonah and the Big Fish, part of The Beginner's Bible series, is now one of the I Can Read books for early readers. In this story, children will discover what happened when Jonah ran away from God. And they'll smile when they read that Jonah prays for and receives forgiveness. This easy-to-read book serves as a steppingstone to encourage early readers to learn about God.

We weren't able to find this book at a local bookstore so I was thrilled to find it on line. The pictures

are beautiful and the text is very comfortable for someone to read to or with a four year old.

This book would have been a better physical book purchase, but the Kindle edition does the job in a pinch. A noisy doctor waiting room where you don't want your kids to be up and causing more havoc would be a perfect time to pull out a Kindle and a copy of this story or a similar one, because they are easy reads and keep the children engaged.

I love the appealing illustrations and that it is a story, from the Bible, that my grandchildren can read.

Very simple. My preschool kids love it. I even caught my reluctant reader 1st grade son reading it to his younger sisters a couple of times. That's pretty excellent.

This ebook is excellent. I would highly recommend it to anyone with children wanting to learn about Jonah and the whale. It's wonderfully written and the pictures are colorful and keep the kids interested. Very easy to read for the kids and they keep talking about the story long after it's over. So glad I purchased it. The price was very reasonable as well.

My toddler loves this book and had it memorized within a week because he requested it over and over.

paper back, first reader

My grandsons 5 & 7 need books to learn to read. This is perfect for the 7 yr old and we use it for the 5 yr old to learn his sight words and he loves to hear bible stories! Great story in following Gods will not our own!
