# The Most Holy Trinosophia - With 24 Additional Illustrations, Omitted From The Original 1933 Edition (Aziloth Books)

## Synopsis

The Most Holy Trinosophia is an esoteric book of reputedly great power. It is said to have been written by the Comte de St.-Germain, a mysterious 18th century adept, confidant of kings, prophet, maker of diamonds, and alchemist extraordinaire, whose death has never been verified and whom several witnesses swore to have seen, looking as young as ever, years after his apparent demise. This edition of The Most Holy Trinosophia contains twenty-four additional signs and illustrations, omitted from the original 1933 publication, all of which are useful to decipher the message hidden within this recondite and occult masterpiece.

## Book Information

Paperback: 112 pages

Publisher: Aziloth Books (January 28, 2016)

## Customer Reviews

I have a large private library of grimoires, some very rare, but if you are willing to work carefully, closely and for a long time with The Most Holy Trinosophia you will gain much incredible knowledge and abilities with Magick. The powerful Sigils and Images within this grimoire have the Essence of real magick, here requires deep scrying of the Images and allowing the Images to flow within you to a level of full understanding. Practice and study this Grimoire and you will understand what I mean in this review.

This book is interesting, although: I believe it is a farce!

St. Germain's words go straight to your heart.

Excellent.

I really liked this book and got a lot out of reading it. The author is suppose to be a person who lived over 150 years, if you can believe it. Supposably, he possessed a knowledge that allowed him to live how ever long he chose, and how to turn led into gold. I did not get that knowledge or anything close to it from reading this book, but I still enjoyed reading it.

Interesting book except some pages didn't print out correctly, got some blank pages and some looked as if the printer was running out of ink...

Most interesting writings left behind by St Germain
