101 Travel Bits The Alaska Highway

Synopsis

For over 70 years, the Alaska Highway has been a beacon for tourists looking to complete one of North America's greatest road trips across northern Canada and into Alaska. This entry in the 101 Travel Bits series will give you a sense of some of the history, attractions and features that continue to make the Alaska Highway one of the most famous road trips in the world. *** Travel Bits are not your typical guidebooks. In fact, they aren't guidebooks at all! Each collection of Travel Bits consists of 101 "bits" of information about one of the great places to visit in the world. This could be a "bit" of history, a "bit" of information on a tourist attraction, or a "bit" of something else interesting about the location. A Travel Bits collection is not intended to be a guidebook to any particular location. You will not find the maps or pictures you would expect in a guidebook in any Travel Bits collection. No Travel Bits collection contains any pictures. Instead, each book gives you information a typical guidebook ignores: history, fun facts and interesting sights along the way. This isn't to say that there are no pictures involved in a Travel Bits collection. Each Travel Bits collection is optimized for reading as an e-book. This format makes each Travel Bit interactive, with links to official websites and other information where it is appropriate. Thus, instead of raising the cost of the book to include pictures, we take advantage of the Internet's enormous wealth of information to take you to where the pictures already exist. In case it isn't obvious, because of the interactive nature of e-books, we highly recommend reading the Travel Bits collections using an e-book reader, as the print versions do not have these interactive features. Thank you, and please enjoy this entry in the Travel Bits series!

Book Information

Series: 101 Travel Bits (Book 1)

Paperback: 185 pages

Publisher: Independently published (February 28, 2017)

Language: English

ISBN-10: 1520761082

Product Dimensions: 6 x 0.4 x 9 inches

Shipping Weight: 12 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #808,772 in Books (See Top 100 in Books) #18 in Books > Travel >

Customer Reviews

I have just finished reading Sarah's 101 Travel Bits: The Alaska Highway, and enjoyed it to bits! I did buy the electronic version to be able to use the very, functional links Sarah used in her book. We've got the technology, might as well use it! The best thing about her book, aside from her humor, is the fact you can read a small part at a time (a bit) and do this as you actually drive up the highway! How cool is that? She has also done her research in many ways. Not only has she found many interesting places to go, that aren't on any map, she also writes about the history of who and how this highway was built. Some of that history is quite interesting. If you have any plans to drive this highway, even a little bit of it, you must get her book! She has written other Bit Books that I will be reading soon. No, I was not given anything free for this review ;-)
