Sister Mary Rose Reddy is a Daughter of Mary, Mother of Healing Love.

([www.motherofhealinglove.org](http://www.motherofhealinglove.org)) She was converted through the Rosary and became a religious Sister in 1980. She has a great love for Sacred Scripture. She is a family faith formation director, a teacher, and a writer. She was also a childcare worker at St. Charles Children's Home in Rochester, NH for several years.

This is the best and most informative explanation of praying the rosary that I have seen. Both the illustration and all the prayers involved with the rosary are laid out so that it is very easy to follow. I had only been saying a basic rosary prayer and the mysteries were truly a mystery to me. This book really helped me to understand what contemplating the mysteries means. I use the book each day to as a guide to the mysteries and I feel it has deepened my spiritual connection while praying the

rosary. Sister Mary Rose's life changing experiences were very inspiring as I have recently gone through my own life changing experiences. I would highly recommend this book to anyone who wants to deepen their rosary prayer experience.
