Poker: Beginner And Intermediate Poker Strategy

Synopsis

This book is available to help you improve your poker game. It is not going to teach you to become a World Series of Poker winner at the main event, but helps to improve your friendly poker games and to have success online or at casino poker tables. The strategies contained in this book will go from beginning knowledge to more advanced topics. You will learn: A little history about some top poker players The types of poker How to assess the type of poker player you are Table poker strategies Online poker strategies The psychology of poker You will also discover a chapter with extra poker strategies and tips that work for any poker setting you may find yourself in. These top tips ask you to keep a clear mind, respect money, and play for the entertainment your hobby brings you. Enjoy the contents of this book, knowing if you need help with addiction, it is available. Take this book as a guide to winning strategies, and not as a guarantee that you will win every time you sit down at a table. Not even the best players have a guarantee of always winning. As long as your mind remains open, positive, and focused on reality, you can move from a novice to an intermediate player.
