Customer Reviews

Cannot say much about it as it was a gift for an overseas friend, but it seems she is very happy with it
Thank you

Hubby said great help.

Just what I needed!

Good map.

This is a fairly large map that shows all the main roads and highways from Key West to Jupiter. It is easy to read and good for planning a trip. However, does not detail city streets, so it cannot be used to locate specific streets or addresses.

Very Good Map. Clear and concise.

would purchase again. best service. This bread product is by far the best bread product I have ever owned! As a former Chef, kitchen tools are very important to me. I have an extensive collection of products and am always looking for the best tools. This is not only an excellent bread product, at a good price but a beautiful design and feels great in my hand. It is sharp and effective. I am so happy with it I bought two and have put it on my gift giving list for years to come.
