Summary - The Gentlemen In Moscow: By Amor Towles (The Gentleman In Moscow - A Complete Summary - Book, Paperback, Hardcover, Audible, Audiobook Book 1)

Synopsis

A Complete Summary of The Gentleman in Moscow The Gentleman in Moscow is a novel written by Amore Towles. The novel's plot is set in the beginning of the 20th century Russian Empire and follows the story of Count Alexander Ilyich Rostov and his life in the Hotel Metropol where he has been under house arrest for thirty-two years. The 20th century was one of the most turbulent times in the history of Europe. Old political systems were deemed obsolete. People wanted change; they wanted rights for all, not just for the wealthy. In the Russian Empire "old and new" clashed in blood, violence, and death. During the 20th century, being noble was not very popular in Russia. Communists slowly but surely gained more and more trust from the people. Since their agenda blamed several groups of people for every misfortune that happened, being a count became very dangerous. Alexander Ilyich Rostov knows this. He almost gets killed but is saved at the last moment in the most peculiar way. An interesting novel, filled with historical segments, The Gentleman in Moscow is more than just a story of one man. It is a story of survival and uncertainty in dire times. Customer Reviews

I am disappointed in this summary of The Gentleman in Moscow. It is factually inconsistent with the book. Examples: In the last chapter of the book The summary states that Sophia presents Mr Vanderwhile with a copy of a book by Montaigne filled with gold coins. This is not correct. Mr. Vanderwhile has received the book by mail and gives it to Sophia. What Sophia gives him is her backpack that has an intelligence report by her father about the communist government sewed into the strap. The book really doesn't end with chapter 8. The afterword explains what happens with the Count, who doesn't leave Russia.....

Great summary! I just finished the novel and our book club will not review it until the winter so I will need a refresher and this one is really good. Many thanks for this fine Summary!

Excellent book. I thoughly enjoyed reading about this time period. The count and his life and years living as a prisoner but making a life so rewarding with true friends and a young girl he raises as his own. The summary helped to put certain time periods in perspective and area's that were confusing were explained. Well worth reading both.

This book is remarkable in all ways. It has gone onto my top five books of all time. Don't miss this very, very good read. (my friends were all reading it on the beach this year and would sit a distance from the group so as not to be distracted!)

Very poorly done starting with wrong title

Just read a free review somewhere and save your money on this "summary". The very least he could have done is get the title correct. Wasted pages on a "quiz". Puhleeze.

A good read

Wonderful story, beautifully written.
