Recovery, The 12 Steps And Jewish Spirituality: Reclaiming Hope, Courage & Wholeness

Synopsis

A major new Jewish contribution to 12-Step spirituality. Claim the spiritual freedom that waits beyond the suffering and slavery of addiction. "One of the important similarities between AA and Jewish spirituality is the statement in Step 12, 'to practice these principles in all our affairs....' There is no dichotomy of sacred versus secular. Jewish spirituality applies to how we eat, sleep, work, socialize and recreate. There is nothing that is external to the relationship of human being to God." —from the Foreword This easy-to-read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous (AA) and other recovery resources. With clarity and passion, Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience, strength and hope of AA. He draws on Jewish resources—theological, psychological and ethical—that speak to the spiritual dimension of the disease, and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps. Along the way, he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path—and stay on it.

"One of the important similarities between AA and Jewish spirituality is the statement in Step 12, 'to practice these principles in all our affairs.' There is no dichotomy of sacred versus secular. Jewish spirituality applies to how we eat, sleep, work, socialize and recreate. There is nothing that is

external to the relationship of human being to God." *from the Foreword* This easy-to-read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous (AA) and other recovery resources. With clarity and passion, Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience, strength and hope of AA. He draws on Jewish resources—theological, psychological and ethical—that speak to the spiritual dimension of the disease, and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps. Along the way, he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path—and stay on it. (ETherapy Centre ETherapy Centre 2015-02-11)"Deeply personal, richly informed.... A beautiful example of reaching for Judaism's highest values through one's own challenges and changes. There are great riches here." *Beth Fishman, PhD, director, Jewish Center for Addiction, Jewish Child and Family Services of Chicago* "This is it: 12-Step Jewish spirituality applied. A profound reflection on the life of a Jewish alcoholic—a rabbi—who found his way back through Judaism." *Dr. Kerry M. Olitzky, coauthor, Twelve Jewish Steps to Recovery; executive director, Big Tent Judaism/Jewish Outreach Institute* "Many Jews wonder if Judaism and the 12 Steps are compatible, and whether Judaism can speak to our disease at all. [This book] puts an end to our wondering.... [It] belongs in the hands of every Jew in recovery, starting with you." *Rabbi Rami Shapiro, author, Recovery: The Sacred Art: The Twelve Steps as Spiritual Practice* "Teaches us that recovery will reclaim your life when addiction has destroyed your living. Courageously, honestly and painfully, Paul Steinberg knowingly walks us through the unknown forest of ourselves and the Jewish tradition.... Humbled, I walk with him." *Reb Mimi Feigelson, lecturer in Rabbinics and Chassidic Thought, American Jewish University* "Rabbi Paul Steinberg is a trustworthy companion. He offers deep spiritual wisdom and hard-earned authenticity that guides the reader toward reclaiming the fullness of life along the 12-Step path." *Rabbi Elie Kaplan Spitz, author, Healing from Despair: Choosing Wholeness in a Broken World* "Paul Steinberg shares ... that soul-saving lifeline that occurs when the 12-Step program connects seamlessly with our own inherent beliefs and spiritual foundation. This book will aid many in accessing the healing power of the recovery program." *Harry L. Haroutunian, MD, physician director, Betty Ford Center* "I can't recall a book that has opened my eyes, touched my heart or awakened my soul more than Paul Steinberg's *Recovery, the 12 Steps and Jewish Spirituality*. If you measure this treasure in terms of insight, honesty, courage and

compassion, it matches the greatest works of the human soul. I will be sharing this book widely, and returning to it again and again.â•â¢ Rabbi Bradley Shavit Artson, DHL, vice president, American Jewish University; author, *Passing Lifeâ•â¢s Tests: Spiritual Reflections on the Trial of Abraham, the Binding of Isaac* â•“Rabbi Steinberg has written the go-to resource for Jews in recovery, and also for those who wish to support them. His honesty about his own addiction and recovery, combined with his insights into Jewish spiritual teachings, make this a very powerful bookâ•â¢ comforting and inspiring as well as informative and accessible. The wisdom of Jewish tradition and of the 12 Steps are brought together here in ways that deepen our understanding of both.â•â¢ Louis E. Newman, John M. and Elizabeth W. Musser Professor of Religious Studies, Carleton College; author, *Repentance: The Meaning and Practice of Teshuvah* â•“It takes a courageous soul to stand naked and bare oneâ•â¢s soul in the public square. Rabbi Steinberg has done just that in *Recovery, the 12 Steps and Jewish Spirituality*. His remarkable candor ... will surely enlighten and empower others who ... struggle with addiction, perfectionism, Judaism and spirituality.... [He] has taken the complex challenges of understanding addiction, recovery, God, honesty, AA, mitzvot, spirituality, love, Judaism, trust, Torah and humanity and woven them into a seamless tapestry. I am grateful to Rabbi Steinberg for sharing himself through the book, and for the many new insights I gleaned from its pages.â•â¢ Janice Kamenir-Reznik, cofounder and president, Jewish World Watch

Rabbi Paul Steinberg is a nationally renowned Jewish educator and a professional staff member at Beit T'Shuva, the acclaimed recovery center in Los Angeles. Previously a rabbi at Valley Beth Shalom congregation in Encino, California, his books include the three-volume series *Celebrating the Jewish Year*, which won the National Jewish Book Award. Rabbi Abraham J. Twerski, MD, a psychiatrist, rabbi and frequent lecturer on a broad range of topics including spirituality and self-esteem, is author of over fifty books, including *Happiness and the Human Spirit: The Spirituality of Becoming the Best You Can Be*; *A Formula for Proper Living: Practical Lessons from Life and Torah* (both Jewish Lights); *Waking Up Just in Time*; *The Spiritual Self and Getting Up When You're Down*. He is the founder and medical director emeritus of Gateway Rehabilitation Center. For more information, visit www.abrahamtwerski.com. Harriet Rossetto is the founder, CEO and clinical director of Beit T'Shuva. She is the author of *Sacred Housekeeping: A Spiritual Memoir*.

Wanting to learn more about how Judaism and the 12 Steps of the Anonymous programs work, I happened upon this book in my search. Not only has it helped me deepen my own understanding of

Judaism and each of the 12 steps, but it has been priceless in helping explain them to others. A quick read which in my experience also gives much more upon further reflection - I would recommend this honest, thought-provoking book to anyone wishing to deepen their connection to spirit whether or not they are Jewish or even in AA. I'm so glad to have found this author!

This is an amazing read; I couldn't put it down. Rabbi Steinberg not only intertwines Jewish wisdom with the 12 Steps to bring us a new understanding of this process of recovery, but he shares his personal experience as an alcoholic with us as well. I was deeply moved by his candor. This book is a wonderful resource, and I'm going to be buying more copies to give as gifts. I wish Rabbi Steinberg continued strength in his recovery, and I hope we will hear more from him in the future. Yasher koach, Rabbi Steinberg! (May you go from strength to strength!)

This book did explain the connection of each of the 12 Steps with Jewish principles. However, I did find it lacked personal connection to each one of the 12 Steps. Perhaps, I was just seeking more thought provoking questions and searching of one's own Jewish identity in relation to each one of the 12 Steps.

From the very beginning to the end, a serious and focused discussion on addiction , the authors private and personal experiences resonates with the readers.we all have some form of addiction, from food to drugs of choice, , this books helps you understand that it is a disease and stops the guilt.

Excellent book for anyone in the mental health, addiction or spiritually business, especially if you are Jewish and you or your loved one is dealing with addiction. A must read!

I purchased this for a dear friend in recovery and htey said it was good.

Very good book for recovery

thanks
