Taiwan (Insight Guides)

Synopsis

Be inspired by the new edition of Insight Guide Taiwan, a comprehensive full-color guide to the beautiful island. Taiwan is a fascinating country, with a vibrant culture that preserves the best of ancient traditions, while embracing the newest in high-tech modernity, exemplified in the dynamic capital Taipei. Insight Guides' unrivalled coverage of history and culture provides an essential introduction to this small but diverse country, with features on topics ranging from martial arts to traditional medicine. Our Best Of Taiwan selects the country's top attractions, while our Places section contains descriptive region-by-region accounts of where to go, enhanced by beautiful photographs throughout. All Taiwan's major sights are cross-referenced with full-color maps, and the travel tips section provides a wealth of information on how to plan your trip plus our selection of the best hotels and restaurants.

Best Sellers Rank: #1,561,611 in Books (See Top 100 in Books) #52 in Books > Travel > Asia > Taiwan #749 in Books > Travel > Asia > China > General

Customer Reviews

This book is very informative about all of Taiwan. However, it is not a travel guide. It's something good to skim but its way too big to be a travel guide. A lonely planet book would be much more suited. There also isn't that much on Taipei (which is where I am going) so it didn't help me plan very much.

Loved this book great quality

Bad guide book. Way too much emphasis on history with very little emphasis on usefulness.

Coordination between points of interest and the map provided in the book is completely disjointed. I found it very annoying to use.

Satisfied with the following details with photos. Will recommend it to my friends but delivery is a bit disappointed because when I received the book the side of the book is damaged. Hopefully i can received my goods in good order in future.

I purchased this book because it was the most recent publication. Its a terrible guide book. Its great about explaining history and such, but useless otherwise. Its just very difficult to use, with simple traveler-useful formatting completely missing. I'll go back to Lonely Planet, which has never disappointed me.
