MoshiMoshiKawaii started as a good-luck-charm gift property in Japan and has since developed into the world's freshest kawaii publishing phenomenon.

This is our 3rd Moshi book and it does not disappoint! Would love to have more! Lots of hours spent finding all of the Moshi's. Highly recommend as an alternative to the usual Look and Finds.

I would disagree that the book is in excellent condition.

Awesome search and find / puzzle book. My girls, 3 to 10, enjoy looking at this together. We take

these on every road trip/dentist office visit.

My girls love this book. It is a seek and find book that they absolutely love exploring. It helps them pay attention to detail and they love how cute all the bunnies are.

My daughter loves this book
