PAUL TERRY is a bestselling author and award-winning music artist. He has worked with leading kids' brands including LEGO, Disney, DreamWorks, The Simpsons, Futurama, and Star Wars. A huge film, music and comic fan, Paul's understanding of what children find fascinating, meticulous research, and his love of trivia made him the ideal writer to inherit the legacy of Top 10's originator, Russell Ash. When he's not writing books, Paul writes music. His film scores include Emily (starring Oscar-nominee Felicity Jones and Emmy-winner Christopher Eccleston) and the highly acclaimed werewolf comedy The Furred Man. Under his solo moniker of Cellarscape, his records include the award-winning album The Act Of Letting Go. Portable Press is a tight-knit group of writers, researchers, and editors who are responsible for some of the publishing industry's most

popular non-fiction trivia and facts books. Aside from creating the fan-favorite Uncle John's Bathroom Reader series (more than 16 million books in print since 1988), the Portable Press team also specializes in regional and kids' titles, plus gift books, activity books, and whatever else strikes their fancy.

I've purchased several of these books over the years. This is a fun, trivia-packed book. The book is made up of hundreds of different Top 10 lists. The topics range from movies to animals to geography. There is something for everyone. Some of the lists include extra details about some of the things/people who made it onto the lists. I like to use the book like a trivia game. One person reads the title of the list, and the other person tries to name the things on the list. I would recommend this book to anyone who enjoys trivia of various subjects!

This book is entertaining, but is not like any other Uncle John's book. This is far more similar to looking at a Guiness World Record book than an Uncle John's book. Content in this was fun and it was worth a try, but I'll be going back to the usual style of books.

Bought for my dad for Christmas as I have also done with this book here and there in years past. He enjoyed it thoroughly. One of those good gift items.

As usual, this book was a hit.

I have read every "Uncle John's" book ever published. Wonderful mindless reading.

Not what I thought it would be. It's literally lists. Usually these books are lists with information added for each entry (trivia, etc.). Not here. Just lists.

Interesting book to read but not as much value as other bathroom readers. This is just lists and others have more stories and interesting writing

Great reading!! Keep these books coming! We buy them every year, twice a year!
