Jersey Shore Food History:: Victorian Feasts To Boardwalk Treats (Food & Drink) (American Palate)

DOWNLOAD EBOOK

Synopsis

No trip to the Jersey Shore would be complete without indulging in the cuisine that helps make it famous. These foods we enjoy today are part of a long tradition beginning in the Victorian era, when big oceanfront hotels served elaborate meals. Diverse dishes and restaurants emerged during prohibition and the Great Depression, when fast food appeared and iconic boardwalk treats developed. Predating the farm to table movement, fancy and fast eateries have been supplied by local fishermen and farmers for decades. So whether you indulge in a tomato pie, pork roll or salt water taffy, take a mouthwatering historical tour and discover timeless treats from Sandy Hook to Cape May.

Customer Reviews

"This book also gives us insights into the earliest days of Atlantic City's fine hotels. The Victorian era menus included in the volume are a treasure. I also loved her inclusion of such iconic former restaurants as Hackney's and Capt. Starns and the still standing Knife and Fork Inn." --Atlantic City Central
"If you enjoy walking the Boardwalk for your pork roll and salt water taffy fix, or if you appreciate the history of the region's former great restaurants like Hackney's, Capt. Starn's and Zaberer's, this book will be an entertaining read." --Atlantic City Weekly
"Complete with recipes such as 'Mrs. Mulford's Clam Fritters' and 'Jesse Eigenrauch's Butterscotch Pudding,' and chock full of photographs, the book dishes on food from the mid-1800s to the mid-1900s, all along the coast from

Sandy Hook to Cape May." --RedBankGreen

Karen Schnitzspahn has authored or co-authored many books of local and regional interest in New Jersey.

This work by Karen Schnitzspahn has proven to be an invaluable research tool for catering a Victorian-era dinner at All Saints' Memorial Church, Navesink in celebration of the church's 150th Anniversary year. I had nearly given up hope of finding the necessary fine dining protocols or menu choices prior to coming upon this book. Thank you very much, Ms. Schnitzspahn, for your careful research and easily-read treatise.

The book appeared designed to please the reader. The organization of the chapters, the movement from one concept to another made reading it seem seamless. From location, facility, type of food, and era of time all seemed to meld together and take the reader on a smooth historical and memorable journey from the past to today. Very enjoyable.

Interesting read. Makes me sorry I missed so many of these Jersey shore places.

As a life-long NJ resident, I loved reading about the history of the places I'm familiar with. Whether this would appeal to someone who didn't grow up in NJ, I'm not sure.

As a Jersey Shore native who was transplanted to the Midwest over 30 years ago, this book brought back wonderful memories. I bought a couple of copies and gave them as gifts, and everyone has enjoyed the book.

What to know what and where to eat at the Jersey shore this is the book for you

if you are familiar with the Jersey Shore, you will really enjoy this very well written book. And you should check out Ms Schnitzspahn's other books as well-all great!

Very pleased with products and service.
