Spanish Reader For Advanced Students (Spanish Reader For Beginners, Intermediate And Advanced Students N° 5) (Spanish Edition)

Synopsis

Spanish Reader for Advanced Students intended for Spanish language learners who wish to review Grammatical Structures that often require additional work: The Preterit and Imperfect Tenses, The Present Subjunctive and The Imperfect Subjunctive among others. Spanish Reader Advanced Students is the fifth book of the new series, Spanish Readers for Beginner, Intermediate, and Advanced Students: A unique collection of short stories in Spanish (Latin America) written with Grammar Structures in mind. This collection of short stories is a unique creation of Costa Rica SpanishOnline, the first online Spanish school in Costa Rica to provide immersion Spanish courses via Skype. Each volume: Beginner I to Advanced III provides short stories that keep the reader guessing until you reach the end: an unusual twist. The purpose of this learning technique is that independent students learn Grammar as they become interested in the storyline. You will find a unique blend of cultural and social aspects in Latin America, modern and traditional lifestyles, transitional phrases, Grammatical Structures adequate for each particular level as well as a unique form of entertainment and extensive practice of Grammatical Structures required in order to achieve full understanding of structure, new vocabulary and fluency in conversation. I hope you find this Spanish Reader useful as well as entertaining. Iris Acevedo

Customer Reviews

I'm about half way through this book and it is great. It reinforces the Spanish I've already learned and it helps build my vocabulary. Very enjoyable.
