Mary Oluonye is the author of Madagascar, South Africa, and Nigeria for the Globe-trotters Club series and A Ticket to series.

I wanted something short and sweet about Madagascar and this book is it! even for adults. Really a child's book but so helpful getting a general idea of the country, language, culture, history and great pictures.

Ok for kids, but some information not 100% correct

We checked this out at the library, but plan to buy it for our daughter. I've lived in Madagascar, and

this book was spot on about the culture and language. The pictures were wonderful too!
