# 31 Prayers For My Future Husband: Preparing My Heart For Marriage By Praying For Him

## **Synopsis**

Marriage is one of the greatest gifts God ever created for mankind, besides His son Jesus. In the Garden of Eden, God said that it was not good that man was alone, so He created Eve out of Adam's side (Genesis 2). Desiring a counterpart and oneness with another person is built into the deepest and oldest parts of our human nature. God also tells us in His Word to present all of our requests to Him (Philippians 4:6). We want to encourage you and your desire for marriage by urging you to pray for your heart and the heart of your future spouse. 31 Prayers For My Future Husband was written for single women who desire the intimacy of marriage, women currently in a serious relationship, and women who are engaged planning for their special day! This is a great resource to help teenagers purpose their hearts for what God has for their future marriage or anyone else who feels strongly about getting married and cares for the heart of their future spouse. As you seek God's will for you and your future husband, as you patiently prepare for your wedding day, we challenge you to begin to be the prayer warrior that God desires you to be. This book has been written to be a starting place and/or guide to help you begin your lifelong journey of praying for your future husband and marriage. You don't need to wait until after you're married to start praying for him. Start today.

I love this book because it give practical prayers. And great insight . I recommend this book to single desiring to marry.

The prayers are sequences in a logical and building/bettering way as a preparation for marriage. I

love how thoughtful each idea was as it developed within each section and from start to finish.

I am loving this so far. My boyfriend is currently deployed and I will be getting him 31 prayers for my future wife for him to read when he comes home next month!!

Absolutely loved this book. It has opened my heart and mind in so many different ways. It has given me structure to pray for my future husband.

Absolutely LOVE this book. There are so many things in here that I didn't realize I should be praying for! A great book for anyone! I have repeated this book 4 times now, and will continue to do so!

I get excited praying these prayers. I feel like I am really making a difference for my future husband. It puts purpose and commitment into something that previously I struggled to know how to pray specifically for someone I may not have even met yet. What a beautiful start to a lifelong relationship! Very sound doctrine, Biblically based, and appropriate for the day and culture we live in.

This book is amazing, it's very detail. It has things that I desire but never prayed for it truly blessed me and I know it will be a blessing to you as well.

Having some single friends, I found myself asking God, how should I pray for them (and myself) during this season of singleness. Then I found this book and use it to pray for their future husbands. The prayers are accurate, direct and challenging (Am I living this way? Do I expect for my husband to act a certain way when I don't?).
