Marsha Goes To Haiti

Synopsis

Marsha goes to Haiti tells the story of the adventures of 8 year old Marsha going to Haiti for the very first time. Her excitement at flying along with vacationing in a country where she does not know the language really opens her curiosity and sense of wonder. How she reacts to all the new sights and sounds along with her two teen brothers and Mom and Dad of course offer many family moments. As Marsha relates with her grandparents and family in this world full of wonder, other children will see Haiti like Marsha does. In fact, this story will also help adults to once again see the world through a child's eyes.
