## Customer Reviews

This is a really easy to read recipe book, but you will need to imagine what the grand finale looks like. This is no-frills, I need an appetizer FAST for the party tonight. The recipes are all very simple to make and there are some pretty tasty ideas in there, like eyeball olives and bone shaped sandwiches. You don't need to be Julia Child to whip up any of these simple ideas.

I LOVE HALLOWEEN. It's my favorite holiday, so I was looking for books on scary recipes, I couldn't find very many good ones. But when I saw this one, I knew it was gonna be perfect, and it was.
