The Collectible Teapot & Tea Wall Calendar 2018

Synopsis

The Collectible Teapot & Tea Calendar is a tradition almost as cherished as afternoon tea itself. Each month, a beautifully arranged teatime scene: a table piled high with pastries, scones, or finger sandwiches, a vase overflowing with fresh flowers, and in the center of it all, a gorgeous vintage teapot surrounded by delicate cups and saucers. Blueberries and cream accompany a limited edition Victorian washstand novelty pot in March. A chintz pattern and pink meringue kisses in August. And for the holidays, a 1930s silver pot alongside cheery candles and a platter of hand pies. Each month includes tidbits of historical information and a thoughtful quote. ã ã

Great pictures

Always a delight, year to year. Highly recommend for tea lovers.

Wonderful calendar. There's always a little interesting history information all about tea and teapots for each month and it's just a pleasant calendar to look at.
