Dictionary Of Finance And Investment Terms (Barron's Business Dictionaries)

Synopsis

More than 5,000 terms related to stocks, bonds, mutual funds, banking, tax laws, and transactions in the various financial markets are presented alphabetically with descriptions. The new ninth edition has been updated to take account of new financial regulations and recent dramatic swings in equities, credit, and other financial developments. Readers will also find a list of financial abbreviations and acronyms, as well as illustrative diagrams and charts. Here's a valuable, thorough dictionary for business students, financial professionals, or private investors.

Customer Reviews

An excellent and comprehensive reference. A must-have for novice stock market players.

With all the financial dealings going on around the world, one needs to have instant access to the correct, legal info, and here is dictionary you will need, if you plan on working the financial markets.

Good reference. Good and clear information

Already had an earlier version. Purchased as a gift. Very good reference manual for any person who wants to know the meaning of financial terms. Very comprehensive. Many of the listings will not be found elsewhere.

Great book to keep in the office to review.

Amazing book! Has the definition to every word in finance! I keep it with me when reading other finance books Incase I need to look up a term

Nice book, lots of investing terms defined. REALLY WISH the company would do it as an App. Would be a lot faster to just type in vs turn pages! I highly recommend.

Great condition. Delivered on time!
