Customer Reviews

This book was absolutely wonderful for both folks that know Yorkshire and those just learning about it. I love Mike Pannett's books as they are so down to earth and this is a great addition to those books. For folks that don't know Yorkshire it lets them see some of the wonderful sights and places in his books and for those of us that know the area but are not blessed to be able to live there it brings such wonderful memories.

Beautifully illustrated and well written. Brings back memories for those who have been to Yorkshire and a dream to go and see for yourself for those who have not. Brings Mike Pannetts books to life.
