Day Hikes In Yellowstone National Park: 25 Favorite Hikes (The Day Hikes Series)

Synopsis

DAY HIKES IN YELLOWSTONE NATIONAL PARK is a concise guide to 54 of the best day hikes in this magnificent park. The hikes include thundering waterfalls, geysers, hot springs, high mountain lakes, cascading rivers, meadows and panoramic views. These day hikes will take you to incredible scenery and natural features found nowhere else on earth. The hikes are easy to moderately strenuous, accommodating every level of hiking experience. --This text refers to an out of print or unavailable edition of this title.

Day Hikes in Yellowstone National Park is a concise guide to 54 of the best day hikes in this magnificent park. The hikes include thundering waterfalls, geysers, hot springs, high mountain lakes, cascading rivers, meadows and panoramic views. These day hikes will take you to incredible scenery and natural features found nowhere else on earth. The hikes are easy to moderately strenuous, accommodating every level of hiking experience. (5 1/2 x 7 1/2, 120 pages, b&w maps) --This text refers to an out of print or unavailable edition of this title.

This is useful book but it could have been a lot better. It includes a good selection of short hikes and the maps are adequate but given the size of the book it could have included a lot more detail. The trail descriptions are brief and dry and don't tell you much about the areas you will be going through

or what you are likely to see. Contrast this with Day Hiking Yellowstone by Tom Carter which includes much more interesting detail about plants, animals, geology and history in a much smaller book. Still, Stone's book is well worth getting because it includes a few hikes I haven't seen elsewhere. Example: A trail with a good chance of seeing Moose in the wild within easy walking distance of the motels of West Yellowstone.
