# Challenges To The Remnant

## **Synopsis**

On July 10, 2007, Pope Benedict XVI reasserted the absolute authority of the Roman Catholic Church when he approved a document stating that Protestant churches were not "true churches" and therefore did not have the 'means of salvation.' Not surprisingly, this created a stir among other Christians including Seventh-day Adventists. In *Challenges to the Remnant*, Moore responds to these accusations. He traces God's true remnant throughout history as they are faced with three major challenges: persecution, deception, and the acceptance and fulfillment of the special mission God has for them. As we near the end of earth's history, God has given the Seventh-day Adventist Church a special message for the end times. We must share it. But we will need to know more than a list of proof texts. Above all else, our mission is to know Jesus personally and then to lift Him up before others as the Savior of the world. So who makes up the 'true church'? You may be surprised at Moore's answer! Marvin Moore is the hardworking editor of *Signs of the Times*® magazine, and a prolific author with more than thirty books to his credit. Among his published works are *How to Think About the End Time*, *How to Survive the Coming Global Crisis*, *The Coming Great Calamity*, *Conquering the Dragon Within*, *The Antichrist and the New World Order*, *The Crisis of the End Time*, and *Could It Really Happen?* Moore's knowledge of Bible prophecy and end-time events keep him in constant demand as a speaker at churches and camp meetings in the U.S. and internationally.
