Customer Reviews

There are so many daily devotionals available, and I try to keep my pile small. I look for a devotional with a daily insight so clear it will recapture my attention several times throughout the day, so I can meditate on it as I work. I put this devotional on my kindle. It takes very little time to read each daily

entry, and yes, the insights are engaging and enriching. I especially like December 20.

Loved this book....it was wonderful in helping my prayer and meditation time become much deeper.

Helped with the celebration of Christmas.

Beautiful meditations.
