Learn German II: Parallel Text - Easy Stories (English - German), Dual Language - Bilingual (Learning German With Parallel Text Book 2)

Synopsis

More Parallel Text! Learning German with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. The German grammar easily sinks in through our cleverly written and well formatted stories. Especially designed for the Kindle and Kindle Apps - each sentence has been translated line by line making it easy to follow. Recommended for beginners with a good basis of German-, intermediate level learners or as a refreshers course. Our nine easy to moderately hard stories contain European culture and characters. The stories have been written to keep the readers attention and are fun to read for you to learn through your motivation. Customer Reviews

This is a fascinating story that is well written by the author. She handles the material well and writes with believable imagination so that the characters stand out in their individualities with their own foibles and enthusiasms on display. I found myself looking forward to reading a few more chapters each night which reveals how well the author engages with her readers. The only negative was the shortening of the narrative so as to leave Charlotte's final years left untold though the author's explanation that this deserved another book was acceptable especially since she has done just that, a book also available on kindle. A thoroughly enjoyable and informative read that brought the Brontes to life in a wholly new way.

This was a great idea for me to purchase this book because it helps one to practice and the only sure fire way to learn a new language is to practice, practice and more practice in any form it can be found in.
