Doodle Stitching Transfer Pack

Synopsis

Embroiderers love Aimee Ray's "Doodling" collections – and this one-stop resource contains 300 of her most popular motifs, including nearly 30 entirely new designs. Just tear out the perforated pages, iron the reusable patterns onto fabric, grab a needle and thread, and start stitching animals, flowers, letters, balloons, embellishments, and more! There's no tracing or photocopying required, and a handy, sealable envelope stores the motifs for future applications. It's quick, easy, and fun to do.

Book Information

Age Range: 6 and up

Series: Doodle Stitching

Spiral-bound: 128 pages

Publisher: Lark Crafts; Csm Spi edition (April 14, 2015)

Language: English

ISBN-10: 1454709022

ISBN-13: 978-1454709022

Product Dimensions: 10.4 x 0.7 x 8 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 61 customer reviews

Customer Reviews

Graphic designer and illustrator Aimee Ray is the bestselling author of the Doodle Stitching series of hand-embroidery books. In addition to contributing numerous projects to many Lark titles, she runs the successful Etsy store LittleDear with almost 10,000 followers and maintains her popular blog LittleDearTracks.blogspot.com. Aimee lives in northwestern AK with her husband and children.

This is a really useful book. I have the initial book and disc of the same name – Doodle Stitching: The Motif Collection: 400+ Easy Embroidery Designs. I love the designs so much that I was thrilled when this companion book came out. It is filled with the same designs as the original Doodle Stitching Book, however those you had to print, trace and

transfer using parchment or another method involving several steps. This transfer pack book is much more practical and time-saving as it allows you to just cut the images out and iron them directly onto your fabric. They can be used multiple times and there is a nice big pocket in the back for storing the cut-outs once they have been used. I have been using this book for about six months now and couldn't be happier with it. Many of the transfers I have used in excess of five times now, and they are still going strong. The designs are nice and big and there are certainly plenty to choose from. This is one of my favorite books to use for embroidering flour sack towels as gifts. With so many different categories of designs I am able to find something that suits just about everyone. If you have any questions leave them in the comments and I will get back to you.

These are ok, but not as cute as I was expecting. The pages tear very easily at the spiral and are difficult to turn. Glad I only paid \$9.24.

Wonderful to have these designs in iron on fashion, so much easier to use. I would recommend this book

Super cute book of transfers with a huge variety! I'm trying to start embroidering more frequently and I'm so excited to start using these patterns!

The images were not as cool as I'd expected but the instructions are good and there is a lot of variety.

Super cute designs and a nifty envelope in the back to put the cut out ones! Have not used it yet, but it says they can be used multiple times.

Good smaller projects especially for the beginning craftsperson and the younger crowd.

Like that book for the explanations in the beginning, and the HUGE amount of patterns.
