Dead Letters Sent: Queer Literary Transmission

Synopsis

Literary texts that address tradition and the transmission of knowledge often seem concerned less with preservation than with loss, recurrently describing scenarios of what author Kevin Ohi terms “thwarted transmission.” Such scenes, however, do not so much concede the impossibility of survival as look into what constitutes literary knowledge and whether it can properly be said to be an object to be transmitted, preserved, or lost. Beginning with general questions of transmission—the conveying of knowledge in pedagogy, the transmission and material preservation of texts and forms of knowledge, and even the impalpable communication between text and reader—*Dead Letters Sent* examines two senses of “queer transmission.” First, it studies the transmission of a minority sexual culture, of queer ways of life and the specialized knowledges they foster. Second, it examines the queer potential of literary and cultural transmission, the queerness that is sheltered within tradition itself. By exploring how these two senses are intertwined, it builds a persuasive argument for the relevance of queer criticism to literary study. Its detailed attention to works by Plato, Shakespeare, Swinburne, Pater, Wilde, James, and Faulkner seeks to formulate a practice of reading adequate to the queerness Ohi’s book uncovers within the literary tradition. Ohi identifies a radical new future for both queer theory and close reading: the possibility that each might exceed itself in merging with the other, creating a queer theory of literary tradition immanent in an immersed practice of reading.

Book Information

Paperback: 320 pages

Publisher: Univ Of Minnesota Press (June 20, 2015)

Language: English

ISBN-10: 0816694788

ISBN-13: 978-0816694785

Product Dimensions: 5.5 x 0.9 x 8.5 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)

Customer Reviews

"In this remarkable work, Kevin Ohi makes an extraordinarily compelling account of the queer ways

that beauty, bodies, and desires circulate and continue to "live on" as literary texts. Dead Letters Sent makes clear that Ohi has become one of the most accomplished, and one of the most "transmissive," literary critics of his generation." --Michael Moon, Emory University "While many queer theorists attest to Eve Kosofsky Sedgwick's influence on their work, Kevin Ohi's book truly expands the reflective practice of queer pedagogy. This is a beautifully written book." --Nicholas de Villiers, author of Opacity and the Closet: Queer Tactics in Foucault, Barthes, and Warhol "Dead Letters Sent is itself a model of queer transmission, one that may well inspire and inform future work in literary studies.

"American Literary History "Ohi's careful attention to his primary texts offers many rewards." --Modern Philology
