Customer Reviews

"Looks interesting....I like the inclusion of pictures."--Margaret Ann Smith, Salisbury High School
"The entire series is excellent--while obviously aimed at junior high students, it is eminently suitable in classes in high school where many students have low reading levels in English--yet challenging enough for those who are gifted."--Gayle H. Cloud, Central High School, Little Rock, Arkansas
"Has lots of possibilities for oral and written practice."--Robert Haglage, Woodward High
"A very useful accessory--attractive and lively. It should save the teacher time and effort."--Gillian Vardon, Nichols School
"Excellent....I would recommend it."--Etan Savir, The John Cooper School

I taught Latin I for 20+ years in the public school system and stayed frustrated with the texts we were given to use. Now that I'm teaching independently and can choose my own text, I'm going with the Oxford Latin Course. The vocabulary is similar to other texts, but this series gives accessible

translations so students can master that important skill early. I'm also pleased that the OLC does not give dull grammar exercises but presents important concepts and gives practice through the cartoons, the translations, etc. The lessons are short and move quickly. The cultural info is also good. Other than wishing for more info on derivatives, I'm enjoying using it to teach Latin 1 students.

I am a collector of curriculum, and Latin resources in particular. This is a fabulous book! Well laid out and paced, very clear instruction on grammar and pronunciation. Highly recommended!

My grandson, for whom this was a gift, advises me that this is a wonderful Latin review book. It reinforces his Latin studies from middle school. He studies it daily to reinforce his knowledge of the language.

As advertised

This book was written in a manner that makes it easy to learn Latin, if you can believe that! My son used this book in school and enjoyed it.

Perfect for Oxford Latin Course I. Goes along with the student book. Hear Latin words/phrases spoken correctly.
