## Customer Reviews

Jameson LaMarca is the author of many Mad Libs for adults. He lives in Chicago, IL.

So amazing & hilarious!!!!

These aren't bad, but they're not as funny as I'd hoped.

Got this for secret Santa at work... My coworkers love it! It's a perfect gift that keeps giving. We probably spend an obnoxious amount of time talking about these than we should!

I used to play this as a kid! and have seen some YouTube videos of fun drinking games you can do with MadLibs for parties hosted at home.

These are great fun to lighten staff meetings and difficult days at work. Really fun when you and others need a break.

My husband and I were laughing to tears!

Always fun to do either by myself or with family or friends

Fun for team building at the office.
