Customer Reviews

One of the best collections of easy Schumann Pieces. Great for late elementary to early intermediate students. I own a copy, and bought several to give as gifts to students at a recital we held recently. They loved these!

These pieces are marvelous for the sophisticated sound Schumann gets with the least amount of technical effort. Even those that are very easy to play invite good interpretation to make them special.

Another great edition from Schirmer. Very cool- thank you!

Good sightreading literature for more skilled pianists.

This is a wonderful collection, not too hard or easy -- highly recommended
