Customer Reviews

While this books does have some good information, the writer bases everything from the REFORMED CHURCH doctrine which I do NOT hold to.I purchased this book as part of my studies with a Bible school called CLI, however I was not informed they were of the Reformed Church and

believed in Calvinism as well. I'm no longer enrolled in that school for that reason. There are some good points made but over all nothing ground breaking.

I enjoyed reading this book for my class. It gave me a great outlook on I being part of ministry. I highly recommend for anyone that is looking to be a leader in church.

Become a minister of God through this program. Peter wrote to the Galatians The law can be summed up in 1 phrase treat your neighbor as you would yourself. Can you think of any idea this world needs to hear more than that?

An OK book...that was more of an advertisement for the online school, then a textbook of memorable instruction or distinct wisdom.

Good book, good insights, some changed my thinking and viewpoints on certain issues.

This book gives anyone working in any sort of ministry an overview of how to become more productive and effective in ministry by gaining a closer relationship with God. Amazing teaching. And very interesting as well.

I purchased this book because I am taking college courses and the first course was on becoming a Revival Leader. I found the book to be an easy quick read, I finished it in a few hours. The information was interesting.

This book unfortunately was poorly written. Very repetitive, misspelled words, incorrect use of grammar, and I found there to be missing several pages or either the pages were numbered incorrectly. I purchased this book for my studies through CLI. Luckily I purchased it through Kindle and not paperback and saved myself money.
