## Synopsis

DOWNLOAD FOR FREE ON KINDLE UNLIMITED Only child Viola Preston and her family are left destitute and homeless having been evicted from their farm, due to her father's good will towards the local Romany folk. Having nowhere else to go, the clan of gypsies allow the Preston family to live with them, travelling around the county, pitching their bender tents wherever the local community will allow them to settle. Whilst her parents tolerate the travelling folk, Viola yearns to be liked and accepted by them. In her desperation to help them out in their time of need, Viola makes a disastrous decision that puts her very life in peril. An opportune encounter with the kind and generous Duke of Mayfield is most fortuitous for Viola as he comes to her aid. As the Duke and Viola's feelings for one another grow ever stronger, one of the Duke's associates has other ideas, putting Viola's life back into the danger she has recently been saved from and throwing her life into turmoil yet again.

## Customer Reviews

I really enjoyed this book. A family shows concern and helps the gypsy and lose their home and

land. The gypsy's let them travel with them. Then the daughter makes a mistake and ends up at the Dukes' as his guest, from an accident. The draw between them is strong, but other's don't like it and put stumbling blocks and distrust in the way.

Different then most of the regency stories I have read. It really held my attention with two stories in one.

I enjoyed this story. The human weaknesses portrayed, the suspense , the triumph over those weaknesses and the romance all made for a good and enjoyable read.

Very good short story from beginning to end. If you love rags to riches romance then this is definitely it. I could hardly put this book down and I wanted more. I want to know if they had children. Please just read this book.

A very enjoyable & active read! I'm so glad that Viola was not killed when she was accidentally shot on the Duke's property by his supposed military friend. I'm glad the Duke was a Dr and was able to save her life. Her poor parents thought she was dead & gone from them. The military captain was evil & mean & manipulative. Trying once again to kill Viola when she returns to return the Duke's items from his home that the captain had placed in her clothes to make her look like a thief. I love the way it ended. This was a very interesting book & I highly recommend this book!

I thoroughly enjoyed this book. It makes my heart feel good to see that someone can rise above distressful circumstances to to be able to enjoy life even if it is in a book. Thank you.

In life we often find ourselves in a bad place , but only God can make something bad into good
