# Hermie: A Common Caterpillar (A Just Like Jesus Story)

## **Synopsis**

Hermie doesn't have stripes. He doesn't have spots. In fact, he doesn't have anything special like everyone else. But together with his friend, Wormie, they talk to God about their troubles. Why do they have to be so plain? Will they ever be special? Master storyteller Max Lucado conveys deep truths of God's love - how he makes each one unique - with simple, straightforward style that even the youngest child can understand. With vivid and heart-warming illustrations, it's the perfect way to engage young minds with a spellbinding story and the message of God's special purpose for each of His children.

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

It dealt with an issue that my 5yo grandson went through a week after the book was read to him. It was about not having the same thing as someone else or being called a name and how to deal with it, etc. My daughter said it was perfect for the situation.

I will NOT publish a "spoiler" of the story here. The book is thick-paged, and with a highly-motivated destructo-two-year-old, that matters a lot. The story is great, and having the CD to go along with it makes for fun read-along sessions. The book has even stood up to being peed on, so kudos to the publisher for making moisture-reflective pages. I don't recommend this, but having seen the book survive even that without being destroyed, I'm really impressed. This is the first Hermie story, and although simple, the message is profound. Highly recommend this product.
