I love this book it is so sad and amazing I hope you can write way more books like this

Best horse book ever! So good! Make sure you have one or two free days to read this because you will not be able to put it down! And when you finish it you'll be so tempted to buy the next one you can't stand it! Don't think I'm kidding! 'Cause I'm not!

I loved it so much absolutely love to the punctuation if it's written bad I didn't notice! the story grabbed me and didn't let go until the very end. it definitely left me wanting more!!!

My daughter and I both loved this book.

My daughter is 8 and cannot put these books down - her reading has improved leaps and bounds! I would highly recommend this series for young girls!
