Travel New York City 2012 - Illustrated Guide And Maps. Includes Manhattan, Brooklyn, Bronx, Queens, Staten Island & More (Mobi Travel)

Synopsis

This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. It is indexed alphabetically and by category, making it easier to access individual articles. Articles feature information about attractions, landmarks, districts, transportation, cultural venues, dining, history and much more. Addresses, telephones, hours of operation and admissions information are included. The guide is complemented by clearly marked maps that are linked to city attractions. NEW FEATURE: Attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. All travel guides in the Mobi Travel series are only \$4.99 or less. Search for any title: enter mobi (short for MobileReference) and a keyword; for example: mobi Paris. good info on new york

I thought I would need it, but there is so much in New York that assists with the travel plans that I really didn't need it afterall

This is an amazing book. I am planning a trip to NYC this summer and this will help a lot. This will be on my smartphone so I can use it on the go..Great.... Love this....

This book is wonderful and you can not go wrrong in adding it to your travel and plan books for moves or vacations to the NYC. Lots of great information and I woul highly recomend it. - Rick Glenn
