## Customer Reviews

Who knew the Easter Bunny had an assistant? Well, in this picture book, he does, and he is a skunk. When the Easter Bunny sets out to teach Skunk the ways of Easter egg dyeing, in five simple steps, they immediately run into problems. Skunk gets so excited by step 1—hard-boiling the eggs—that he emits an odor. It is not a small odor either. “Please try to control yourself,” says Bunny, but steps 2 through 3 are also exciting, so step 4 becomes necessary: “REMOVE SKUNK FROM ROOM (push if necessary).” Luckily, a nose peg for Bunny brings happy harmony. Thomas, thickly outlined characters, set on Easter egg-colored backgrounds, are hilarious, with their rabbit teeth, bulging eyes, and expressive eyebrows. Children will likely enjoy the yellowish haze that sets in whenever Skunk gets—ahem—excited as well as Bunny's reactions. The book's final spread offers simple directions for making the Easter Bunny's eggs. Preschool-Kindergarten. --Ann Kelley

Praise for *What Will Fat Cat Sit On?*: “Fun to read aloud, it would also make an effective early reader for preschoolers.” (New York Times Book Review)

This is a darling book for children 3-7. Easter Bunny gets a little help from skunk while dyeing Easter Eggs. Skunk may get a little too excited!!!! Children will call out responding to Bunny's questions. Wonderful story about accepting people-- or skunks for who they are. A must read in preschool or kindergarten!

My kindergarteners love this book! It is pure fun! My 3 year old granddaughter and 1 1/2 year old grandson can't get enough of this book. We read it every night!

My first graders loved this story! They enjoyed the humor and made great connections to it. This is great book to use as an example when teaching sequencing and procedural writing.

This was a gift for my 5 year old granddaughter and she loved it. It's silly and goofy, and the stinky skunk part really appeals to kids that age. This book is popular at the library where I work, as well.

Very little story to read. Bought for my five year old, but would probably be better suited for a younger audience.

Cute story.

fun

We had a great time reading this story.
