## Synopsis

On August 2nd, Danah is ready to embark on the most fantastic vacation of her life--a visit to Disney World, when Iraq invades her country Kuwait. Overnight, her status changes from a spoiled wealthy girl to a homeless refugee. Stranded in New York with her uncle, Danah loses contact with her family in Kuwait. Would she ever see them again? Could she ever say, "I'm sorry" to her loving parents? Too anxious to wait for an international resolution to free her country, Danah stealthily returns to Kuwait and witnesses the horrors of war and destruction.

## Customer Reviews

Amazing came with the book in amaazing condition with a matching book marak andsinged omg more then i expected will buy from again

I would like to thank .com for this apporunity of expressing our opinion. I think that what Kuwaiti people have benn through is a unique experience I was in Kuwait at that time and I was 16 years old. I think this book provides an excellent descriptive novel that covers what happened in Kuwait

from a different angle this book is great and I recommend you to read it.

It's a great book for young adults, telling the world what we (Kuwaitis) went through during the Gulf War. The author has a great way of describing the incidents. I truly recommend this book!

I'm a teenage girl who loves to read Everything!! Summer 1990 was unique and totally up-to-date. The author is from Kuwait, which is also a first. Besides telling the story of the Gulf War, it also has an exciting plot and events. Once you start reading it, you can't put it down. It's a real page turner.
