Storm Run: The Story Of The First Woman To Win The Iditarod Sled Dog Race

Synopsis

In 1985, Libby Riddles made history by becoming the first woman to win the 1,100-mile Iditarod Sled Dog Race. This brand-new edition of Riddles's timeless adventure story is complete with updated narrative details, sidebars on all aspects of the race, photographs, and all-new illustrations by beloved illustrator Shannon Cartwright. An inspiration to children and adults everywhere, this is a compelling first-hand account of the arctic storms, freezing temperatures, loyal sled dogs, and utter determination that defined Riddles's Iditarod victory.

Customer Reviews

Storm Run: The Story of the First Woman to Win the Iditarod Sled Dog Race by Libby Riddles, illus. by Shannon Cartwright, recounts the 1,100-mile adventure, updating details in this new edition. An inspiring story packed with snapshots and detailed illustrations of winter gear, Iditarod equipment and the race route. Copyright 2002 Cahners Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Gr. 2-5. New illustrations enliven this detailed account, first published in 1986, of Riddles' record-setting performance at the 1985 Iditarod. Riddles tells her own story: how she became

interested in mushing, the training that prepared her for the event, and, finally, a day-by-day account of the extreme, grueling conditions during the race, covering over 1,000 miles of Alaska's roughest country. The text rambles in places, and the specifics of training may lose some readers. But Riddles' live-off-the-land lifestyle and unusual workout practices (chocolate and seal oil are her power foods) will intrigue young athletes and pioneer-wannabes, and her passion for her dogs and devotion to their care will draw animal lovers. Sporadic color photos mix with Cartwright's straightforward watercolors that show routes, gear, and action scenes on the trail. A welcome counterpart to Robert Blake's *Akiak: A Tale from the Iditarod* (1997). Gillian Engberg Copyright © American Library Association. I teach 5th grade students in South Florida. Many of them have never seen snow or experienced the Alaskan experience. I purchased this book from Libby herself on a cruise ship this past summer and had her sign it to my class. I read the story to them this past week and they were absolutely enthralled! They would beg me each day to read a little bit more. They were so excited by the story of Libby's iditarod win that they want to track the 2012 Iditarod. The books is well written with an excellent combination of illustrations and REAL pictures form her experience. The kids LOVED it!

Inspirational reading for kids of all ages.

This is a condensed version of Ms Riddles' great story of her epic adventure written for tweens and teens but by no means 'written down' for younger readers. The key parts are all there and one can vicariously enjoy the exhilarating and scary adventure.

This is an excellent book. It is simply written and details many of the problems encountered by Libbey Riddles as she races and wins the Iditarod sled dog race in 1985. She was the first woman to win this race.

Perfect book to accompany a gift of a dogsled adventure!

Gave it as a birthday gift to neighbor's 6 year old for his birthday. Enjoyed hearing & seeing Libbey Riddles in person on an Alaska Cruise. Great book.

Accurate and interesting! Great artwork. Perfect way for young children to learn more about the Iditarod!

Good baby and me reading. Introduced my grandchild to the world of sled dogs extremely well. Loved it
