What I needed!

This is a complete score of the music for the Oklahoma stage version- vocal, group vocal, and instrumental transcription to piano. All music for dance segments is included. It is NOT a complete libretto with all actor lines - some are included within the various numbers. An excellent source for the music of the entire play - although the tessitura is quite high. The gentleman who reviews this product as bogus must have purchased something else entirely.

It is missing 3 songs out of the middle of the score. The book goes from page 80 to 97. The rest of the music is fine, but I wanted a complete score.

I ordered several copies of the score and found all to be in superb condition.

Exactly as promised. A little used...but in good shape...and a hard bound edition. Great for my needs in working with students on music from the score.

Disappointing. The description on says 16 pages. I wondered how they fit the libretto into 16. They didn't. Just 6 schmaltzy tunes. Avoid this slim, slim, slim (e.g. partial lyrics for the 6 tunes that are included) offering. Proper title is: "Selections from the Production Oklahoma!" Which would be a hint, eh?
