"In an age where too many Bible studies fail to open the Bible—or, if opened, fail to touch on the actual themes in the text itself—Nancy Guthrie immerses us in the wisdom of the Word. How refreshing! With her keen observations, penetrating applications, and thoughtful, engaging questions, Nancy Guthrie's latest study on the Old Testament Wisdom Books and the Psalms gets us to see and smell, taste and touch, and

understand and apply the everyday wisdom of Christ—our creator and crucified Lord. —Douglas Sean O'Donnell, a senior pastor, Westminster Presbyterian Church, Elgin, Illinois; author, *The Beginning and End of Wisdom*; editor, *The Pastor's Book*—“I love Nancy's infectious passion for teaching the Old Testament in a relevant, practical, spiritual, and Christ-centered way. I'm confident that this book will ignite that same passion in many others—transforming lives, families, churches, and communities.” —David Murray, a pastor, Grand Rapids Free Reformed Church; professor of Old Testament and practical theology, Puritan Reformed Theological Seminary; author, *Jesus on Every Page* and *Reset*—“In this study guide, Nancy Guthrie shows how the Old Testament Wisdom Books and the Psalms provide practical life lessons for Christians and stand as pointers to the supreme wisdom of God in the life, death, and resurrection of Jesus. With great skill she leads the reader to the heart of each book being studied, and demonstrates its place in Scripture as a testimony to Christ. Christian readers are encouraged to read the Old Testament Wisdom Literature in light of the relationship we have with Christ, who is the power and wisdom of God.” —Graeme Goldsworthy, a former lecturer in Old Testament, biblical theology, and hermeneutics, Moore Theological College

Nancy Guthrie teaches the Bible at her church, Cornerstone Presbyterian Church in Franklin, Tennessee, and at conferences worldwide. She and her husband, David, are the cohosts of the GriefShare video series used in more than 10,000 churches nationwide and also host Respite Retreats for couples who have experienced the death of a child. Guthrie is also the host of Help Me Teach the Bible, a podcast of the Gospel Coalition.

I was recently introduced to one of Nancy Guthrie's books: *The Word of The Lord; Seeing Jesus through the prophets*. And I LOVED it so much that I decided to get the whole collection. So the next one I got was *The Wisdom of God*. Excellent book! Good, solid theology but also very practical and with very good insights. Great for Bible Studies but also great as a devotional. It has quite a few questions previous to each chapter and a lot more after but that's great to keep you really searching the Scriptures.

One of THE BEST Bible studies I have ever done. I LOVE the way Nancy Guthrie thinks, not to mention how carefully she researches everything she has to say. This study has done so much to rekindle my first love for Jesus & make the Old Testament just come ALIVE. I will definitely be doing

more of Nancy's studies. Highly recommended!

Fair amount of reading with good insights in the teaching section. Questions were interesting and we had many great discussions!

Nancy Guthrie writes with integrity, passion and KNOWING! She skillfully takes the Old Testament wisdom literature and shows the learner how practical and applicable eternal truths are for daily living. Readers will be actively engaged in learning more about Christ, who is the wisdom of God. Five stars are not enough endorsement.Darlene MF

My wife is using this book in a Bible study in our church and is really enjoying what she is learning.

The Wisdom of God has been such a blessing to me. I'm only on week 3 right now, but I've been able to use the first two chapters to be encouraged and to encourage others. It digs so deep into Job and Psalms. I'm very excited to finish the book and learn more about the power of God's Word in the Wisdom Books!!!

Nancy Guthrie's Bible studies are wonderful. I read this title and also worked through, " The Lamb of God." The author write with clarity and provides in-depth questions that help the reader to think about how God's plan of salvation through Jesus Christ is woven through out scripture, starting in the Old Testament.
