Customer Reviews

This set is so magical and intriguing. I really enjoyed all of the stories.

I enjoyed this book, it is a different book than I am used to and I'll read more of them

Thank you for a wonderful read!!!!Ladies guess what our next book club listingI just hope to see a extra on dawn and Liam story!!

This series is exciting and unusual I enjoyed the characters and the plot. Will be reading more from this author

The story line if great! The finding of their one true mate was fantastic, funny,loving,and a bit scary at times. But who doesn't love a happy ending and what a dragon will do to get his happily ever after.

A female dragon shifter moved in with her aunt after her parents death, a male dragon shifter given the job of showing her around, read to get the story.

I LOVE DRAGONS!!! I started this collection by getting the first book free. I loved the story and couldn't wait to read the next story. A few months ago I bought the 5 book set. Now on to numbers 6 & 7. Sarah Stone is one of my favorite authors.

I like reading all kinds of books and so does my wife but the one thing she does not like is a preview at the end of the book just wanted to let you know.
