It's Not What You've Got

Synopsis

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. You're Not What You've Got addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, You're Not What You've Got is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

Book Information

Lexile Measure: 780L (What's this?)

Hardcover: 32 pages

Publisher: Hay House (September 21, 2007)

Language: English

ISBN-10: 1401918506

ISBN-13: 978-1401918507

Product Dimensions: 0.8 x 9.2 x 11 inches

Shipping Weight: 14.4 ounces (View shipping rates and policies)

Customer Reviews

A balanced, positive approach to a subject often overlooked, but very relevant to all our children.

Juno Magazine

Affectionately called the "father of motivation" by his fans, Dr. Wayne W. Dyer was an internationally renowned author, speaker, and pioneer in the field of self-development. Over the four decades of his career, he wrote more than 40 books (21 of which

became A New York Times A bestsellers), created numerous audio programs and videos, and appeared on thousands of television and radio shows. His books A Manifest Your Destiny, Wisdom of the Ages, ThereAçâ ¬â,çs a Spiritual Solution to Every Problem, A A and the A New York TimesA bestsellersA 10 Secrets for Success and Inner Peace, The Power of Intention, Inspiration, Change Your ThoughtsAçâ ¬â •Change Your Life, Excuses Begone!, Wishes Fulfilled,A andA I Can See Clearly NowA were all featured as National Public Television specials. Wayne held a doctorate in educational counseling from Wayne State University, had been an associate professor at St. JohnAçâ ¬â,çs University in New York, and honored a lifetime commitment to learning and finding the Higher Self. In 2015, he left his body, returning to Infinite Source to embark on his next adventure. Website: www.DrWayneDyer.com A Kristina Tracy is having a great time working on childrenAçâ ¬â,çs books with Wayne. When she is not writing or being a mom, she loves gardening, horseback riding, and rearranging the furniture in her house. She may also be found at the counter at Starbucks pondering the infinite possibilities!

excellent

great book, my son will be using this as he grows and learns about money.

of course al his books are spiritual and deducational, a lovely little book I will treasure even more now that there will be no more from Wayne Dyer, what a glorious way to remember some one from the books he wrote or helped his children to write.

My grand daughters both love this book! Thank you!

Another good book from this man

Beautiful children's book with lots of good lessons for adults, too. :) I bought this and several of Wayne Dyer's books for my nephews, and will very likely buy any new ones he writes.

This book is a wonderful addition to our daughters collection. This conveys some very important messages that I feel will be beneficial to them throughout their lives. The earlier we get useful knowledge, the more easily and regularly we can incorporate these actions into our everyday lives, beliefs and thoughts. We now have 3 books for children written by Dr. Wayne Dyer and I have

moved all of them to the top of my favorites list. Our girls love them as well. Our oldest daughter, age 5, will point out references from these books. It makes me so happy and proud! I say Wayne Dyer is an excellent addition to an library!

I love Wayne Dyer and thought my children might benefit from his books as much as I did. They were not very interested tho, probably because the title suggests that they may actually learn something!
