## Customer Reviews

I loved this book from beginning to end. I couldn't put it down until I finished it. This was a great series.

Another great short read by Indiana Wake! I have truly enjoyed this whole series! They have all been full of adventure. Honoria was the last of the sisters to get married, after being kidnapped. She was rescued by Gerald the US Marshal. When her brother Tom comes looking for her to take her back to the McAllister's, Gerald steps in and tells Tom that he and Honoria are engaged. Honoria loves Gerald and wishes it was true, after supper they step outside. Gerald tells Honoria he loves her and wants to marry her. She accepts and they have a double wedding with Emily and Ian. Tom her brother gets the money from Ian to pay off the McAllister brothers, leading Gerald and Ellis straight to the McAllister brothers. They are taken into custody and Tom is sent with a trapper, Pal where he is going to learn how to straighten out his life. I highly recommend this book! And the whole series.

I received a free copy of this book via Booksprout and am voluntarily leaving a review. I was very impressed with this story. Honoria certainly had reasons to be scared out of her wits, yet she didn't give into her fear, instead she worked with it. Did the Marshal find Honoria in time? That was an intense search and rescue. I felt like I was right there with her. What did Marshal Gerald Colton say that surprised Honoria and her family? What did she say after that? You must get this book and read it for yourself, it's fantastic! It's filled intense situations as a bit of humor. Especially by the fire....can't tell you more about that or it will spoil it for you and others. I absolutely loved this book and I highly recommend it!

I received a free copy of this book via Booksprout and am voluntarily leaving a review. Wow this is not what I expected - so much better! What kind of man gives his 4 sisters and cousin as collateral for a gambling debt? To the worse possible kind of men to boot? You will love how this story shapes up and what happens to the no good brother and men who try to take the lovely young women! Indiana Wake did an excellent job could not put it down.

This is a very short story with a lot of action. U.S. Marshall Gerald Colter tries to save Honoria when

she is kidnapped by the McAllister brothers. Sparks fly between them but there is sixteen years difference in their ages. Throw in a disgruntled brother who gambles and you have an interesting but very short story. I received an advance copy of this book and I willingly chose to write an honest review.

Liked this story by great authors that keep me entertained. Young ladies living in a town with bad brothers met some men who cared for them only to find out that their brothers were trading them for gambling debts. The men spoke up to th brothers and the girls were surprised at their announcements. A must read for those who enjoy historical western romance kindle books from at a special price.

A quick and fun read!! am so glad that I had a chance to read this fun book! The characters are just that characters or at least one is! One of the sisters is sassy and always has something to say about everything. She has a tendency to not think before she speaks. A book that is so enjoyable to read and is a great pick-me up. I'd strongly suggest that you pick this story up and read it. It will bring smiles to your face!

I received a free copy of this book via Booksprout and am voluntarily leaving a review. If you like a strong, resilient woman and a handsome, courageous man, this is the book for you. I enjoy it. It was short and sweet. Sassy and cute! If a quick, entertaining read is what you need, this is a good choice.
