I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

We love all Adventures in Odyssey programs. This one is no exception. I highly recommend all AiO stories/media.

great set of stories!

Love it!!!!

Another family friendly audio series from Focus, my kids were raised listening to these and they are so good and wholesome, teaching good habits to moms and dads and kids alike! And they are so entertaining!

Adventures in Odyssey is always so amazing!! This album is especially good!

Fun Odyssey adventure, as always!

Pack your bags and get ready to hit the road for coast-to-coast adventure with the folks from Odyssey. In this set, Bernard and Eugene travel across the country and also a farewell goodbye for Mr. Whittaker. Episodes: 1. First-Hand Experience: When Eugene sets out to experience new horizons, he finds that all roads lead to... Bernard. 2. Second Thoughts: Their cross-country journey comes to a screeching halt in Iowa when Bernard and Eugene help a family learn an accelerated lesson in appreciating what one has. 3. Third Degree: During a stopover in Colorado, Eugene meets a group of like-minded people and discovers an appreciation for other's differences. 4. It happened at four corners: After hearing an old prospector's tale of a legendary mine, Eugene and Bernard's gold fever leads to mutual betrayal... or does it? 5-6. Fifth house on the left, 1&2: Bernard and Eugene find a surprising kind of poverty in the midst of the great wealth of Beverly Hills. 7. Gone: Difficult Goodbyes. Whit says goodbye. 8. ...But not Forgotten: Coping with change and the introduction of Jack Allen. 9. The Fundamentals: Willing to learn. Can Connie trust Jack? 10. The Election Deception: Dishonesty. 11. A book by it's cover: Judging others. 12. The Twilife Zone: Destructiveness of addictions. REVIEW: This is perhaps one of my favorite AIO volumes of all time. The story of Bernard and Eugene's trip together is hilarious but the stories are very well written. Especially when they reach California... Wow! It was like listening to an episode of "Left Behind"! Incredible! Also, the touching story of Whit leaving and how Eugene deals with it and the introduction of Jack Allen and how Connie deals with it. One of the best AIO volumes! Highly recommended!
