Synopsis

Keeping It Real: Heaven in my Heart Series (for pre and early teens), Book Six
Brienne's eighth-grade year is in full swing, and between school, youth group, spending time with her family, and hanging out with friends, she has plenty to keep her busy. Taking a break for Thanksgiving Weekend, she wants it to be a fun time of visiting her grandparents and having Austin along, but she wonders what she will encounter with her cousins being there also. When she returns home, some interesting surprises are awaiting her. Some leave her feeling confused and have the potential to affect her relationship with one of her close friends. Can she figure out how to handle the changes and keep it real, or will her heart of discontentment lead her down the wrong path?
