Kana Ishida is the illustrator behind the hugely popular light novel series, The Irregular at Magic High School. Tsutomu Sato is the author of the hugely popular light novel series, The Irregular at Magic High School.

This is a translation from the original. There are some problems with the transition, changing master to prince when referring to main character. This is a great book even with a couple of translation problems.

I love this series and if you love a strong, intelligent, main character who's not afraid to take care of his enemies but smart enough to not look for trouble you're gonna love this. All characters serve a purpose and get good development you will not regret picking up this series.

this series is beyond amazing well worth it! the plot is well developed and the characters are full of surprises.

Still average. Looking forward to stuff beyond where the show ended at.

While not a complete story, it does move the plot along.
